Psychologist

Due to studying in Turkey's best universities, I've become quite equipped in the psychology field. Had a chance to work in each step of the research studies; collecting and coding data included. Received 1 'Best Poster of the Year Award' in a competition within the university and 6 High Honour Student Certificates. Graduated as High Honour Student. Worked in the special education field with autistic children.

Experience

Psychologist

Artı Kalite Special Education Center *Ankara*

September 2019 - April 2020

Took care of children with autism, developmental disorders, and high intelligence. Made meetings with their families. Made informative posters. Prepared reports about children's conditions.

Intern Psychologist

Ankara Schizophrenia Association (AŞDER) *Ankara*

October 2018 - February 2019

Conducted meetings with schizophrenic, bipolar, and mentally handicapped people. Organized workshops about social skills, art, and emotions.

Intern Psychologist

Dışkapı Yıldırım Beyazıt Training and Research Hospital *Ankara*

August 2018 - September 2018

Participated in interviews with people with various diseases in the inpatient section of the hospital. Participated in the meetings of the Diagnosis-Treatment Boards. Took part in the applications and analysis of MMPI (Minnesota Multiphasic Personality Inventory), Mini-Mental, and Beier Sentence Completion tests. Participated in the application and interpretation of the Rorschach test as an observer.

Research Assistant

METU Child and Adolescent Development Laboratory *Ankara*

June 2017 - March 2018

Conducted one-to-one and collective interviews during home visits in different parts of the country, applied various tests and recorded interviews within the scope of the research, transcribed the recorded interviews, coded all the data collected.

Laboratory Assistant

METU Child and Adolescent Development Laboratory *Ankara*

February 2017 - June 2017

Recorded interviews, and applied tests to parents about the study.
